## ***DLCC Names Joyce Barlow Campaign A Race to Watch in 2022***

ALBANY, Ga. (**June 6, 2022**) — Today the Joyce Barlow campaign for GA State Representative of House District 151 was named to the Democratic Legislative Campaign Committee's (DLCC) list of **most closely watched races for 2022**. The DLCC selects **critical races with strong candidates** from across the country to highlight on its Spotlight Races page in an effort to raise awareness and resources for candidates like Barlow.

*"Democratic state legislators are on the frontlines defending and expanding our access to health care, education funding, and the right to vote," said DLCC President Jessica Post. "In the last four years, the DLCC and state Democrats have flipped hundreds of seats from red to blue, elected strong candidates from all across the country, and returned over half a dozen chambers to Democratic control. We are proud to stand with Joyce Barlow and include her in our growing list of amazing candidates who are committed to making a difference in their communities. The DLCC is fired up and ready to win more seats like State Representative throughout the year and in November."*
